Family Contact List

Emergencies can happen at any time. Does your family know how to get in touch with each other if you are not all together? Before an emergency happens, have a family discussion to determine who would be a good out-of-state contact and where you should meet away from home – both in your neighborhood and around town.

CHOOSE YOUR RALLY RELAY

Pick a trusted person who is out of town to use as your Rally Relay. If you're separated, every family member should call the Rally Relay to let them know where they are. Your Rally Relay can then help everyone get reconnected.

IMPORTANT INFORMATION

Fill in the information below and keep a copy in a safe place, such as your purse, backpack, or briefcase. Keep another copy in your disaster kit. Be sure to look it over every year and keep it up to date.
